RE: ASCE 26th Annual Scholarship Fundraising Golf Tournament Sponsorship

Dear Prospective Sponsor,

The 26th Annual Eastern Branch Golf Tournament will be at the Country Club of North of Carolina located in Pinehurst, NC on **Monday, October 31st, 2022**. The Country Club of North Carolina is home to the 4th best course in North Carolina and hosted the United States Golf Association (USGA) Junior Amateur last year.

Proceeds from the tournament benefit the ASCE NC Section scholarship fund. To date, we have assisted more than 65 students in North Carolina in pursuit of a civil engineering degree. We continue to grow and wish to continue helping our future civil engineers. Our goal is to raise \$4,000 and award four students, each with a \$1,000 scholarship. To make sure this happens we need the help of sponsors.

We understand that your contribution is important, as such we want to recognize your firm. In addition to the sponsorship opportunities below we will display your company logo on our website, quarterly newsletter and at our monthly meetings. **Please note that the sooner we receive your contribution the sooner we get your logo on our website, newsletter and monthly meetings.**

To become a sponsor, please complete the form on the next page and return to Chas Webb at Charles.webb@raleighnc.gov. Your donation is very important to the future of civil engineering, and we look forward to your company's participation. Thank you very much for your loyalty and support. On behalf of the Eastern Branch board members, we look forward to seeing you at 26th Annual ASCE Eastern Branch Golf Tournament.

Sincerely,

Chas Webb, PE, CFM
