- NON-FOOD ESSENTIALS: HYGIENE ITEMS, HOUSEHOLD ITEMS, AND PAPER PRODUCTS.
- POP TOP CANS & MICROWAVABLE CUPS PREFERRED.
- PLEASE, NO GLASS.

TO BENEFIT:

**PLEASE CONSIDER DONATING BEFORE
TUESDAY, AUGUST 23!**

Thank you for volunteering to collect donations to support the Food Bank of Central & Eastern North Carolina. We are very appreciative of your help with this campaign. This packet includes a flyer specific to the ASCE Summer Food Drive and two flyers from the Food Bank illustrating recommended donations for your use advertising the donation drive in your office.

Please keep the following in mind:

- Donations will be collected from July 1 to Tuesday, August 23.
- Please place a box in a common area and use the provided flyers to advertise throughout your office.
- There will be a YMG social at a Raleigh-area brewery (TBA) on Tuesday, August 23 between 5:00 and 8:00 PM that will also serve as a central drop-off point for donations. If you are unable to deliver the donations during the social, please notify me and we will coordinate collection of the donations from your office.
- The donations collected will be delivered to the Food Bank of Central & Eastern North Carolina. The food bank serves 34 counties from six branches.
- These donations will need to be handled and transported several times before being dropped off. Please package them accordingly and encourage your coworkers to donate non-perishable items and no glass containers.
- There will be a raffle at the social event and the more items you donate, the better your chances of winning are!

If you have any questions or need to coordinate a donation pick-up, please contact the YMG at asceeasternncymg@gmail.com

Thank you again for volunteering,

Matt Alexander
Eastern Branch YMG Treasurer
